Wine of the Month Clubs

Premium Wine Club

This monthly wine club is perfect for the wine novice or for anyone interested in discovering wines they normally do not have access to. Sample wines from classic regions such as Italy, France, and California as well as more recently discovered premium regions in Australia, New Zealand, Chile, Argentina and South Africa. Including well known varietals such as Merlot, Cabernet Sauvignon and Chardonnay, members will also get the opportunity to experience lesser known red varietals such as Tempranillo, Carmenere, Malbec,

Pinot Nero, Shiraz, and other white varietals including Pinot Grigio, Semillon, Alvarinho and Torrontes. Don't be locked out of the world of wine! Here is your key.

International Wine Club

Travel with your taste buds across the globe and try fantastic wines the rest of the world is offering. From Europe to Australia, from South Africa to South America and all foreign countries in between members will explore a new country's wine every month. Our monthly selections are chosen by our experts and only their favorites are judged acceptable for our members. One month may bring an Italian Sangiovese and New Zealand Sauvignon Blanc to your door, while the next brings an Argentinean Malbec with a Tempranillo from Spain. No Passport or Travel Agent required!

West Coast Wine Club

Grape quality is like real estate: it is all about location and the West Coast reigns supreme! Sample wines from world renowned regions of California such as Napa, Sonoma and Monterey. Then head north to Oregon's and Washington's Willamette Valley and Columbia Valley regions. We seek out boutique wineries and limited production wines for our members. Wines featured include but not limited to Cabernet Sauvignon, Merlot, Syrah, Pinot Noir and Cabernet Franc for Reds. Chardonnay, Pinot Gris, Sauvignon Blanc, and Riesling for Whites. This wine club makes the perfect gift for any wine lover.

Red Trio Wine Club

They say variety is the spice of life and this club is seasoned with it! This club is designed for the eclectic wine drinker, who is open to drinking any type of wine as long as it is red. Travel all over the world and learn about the different red wines each country is producing best. Or perhaps stay in your own backyard and discover a Californian gem from a tiny producer. This club has just one exclusion: "No White Wine or Roses Allowed!"

Single Bottle Wine Club

Travel all over the world and learn about a different wine or perhaps stay in your own backyard and discover a California gem from a tiny producer. This club is the perfect introduction to a wine of the month club with out the big commitment.

Platinum Wine Club

This wine club is designed for the more seasoned wine aficionado, and gives an all access pass to vineyards and wines not readily available to most. Tour classic regions as well as more recently discovered premium regions from around the globe. We take the guess work out of trying to find a new and exciting wine or winery. Our experts do all the work so you don't have to. These wines are produced in limited quantities from boutique wineries & vineyards and include all the favorite varietals as well as lesser known varietals often from grapes indigenous of a particular region. Hop on board, this wine tour starts now!

90+ Point Wine Club

If you or someone you know does more than just drink wine, but "lives" wine, this is the ideal club. Sample the world's finest wines from well known and yet to be discovered vineyards. Tour the world renowned regions of California, Europe, Australia and South America with wines that are carefully selected to ensure they meet expectations of the discerning palate as well as cellaring potential too so they can be opened only when the time is right. Hurry and join because due to the availability of some wines, this wine club is limited to 200 members.
